Hello! I'm Alex. I'm 14 years old, and I'm a student at a middle school. I love my school, and I have three best friends: Jack, Daniel and Emily. We get on well with each other and enjoy spending time together. We usually ride our bikes in the park after school. At weekends, we sometimes go to the cinema and watch funny films. We also enjoy playing computer games at Jack's house.
Today is a special day for us because it is my birthday! My friends and I are very excited. My parents are organizing a birthday party for me at 5 p.m. on Saturday. The party will be in our garden.
