Exam preparation

A. Read the text below and answer the questions.

Last month, our school organized a special **educational** week. On Monday, we held a **debate** about protecting the environment. Students shared their opinions and discussed how to reduce plastic waste.
On Wednesday, we visited a science **agency**. We learned about space exploration and modern technology. Our guide showed us interesting experiments, and we asked lots of questions.
On Friday, we celebrated National Sovereignty and Children's Day. Some students performed traditional dances, while others were singing songs or participating in a poetry **competition**. My friend Alex won first prize in the competition, and we all congratulated him.
In the past, our school **celebrations** used to be smaller. Nowadays, more students participate in these activities because they enjoy working together. The week was both educational and **memorable.**

1. What did the students discuss during the debate?----------
2. Where did the students go on Wednesday?----------
3. What did they learn during the visit?----------
4. How did the students celebrate National Sovereignty and Children's Day?----------
5. How have school celebrations changed over time?----------
